Word of Welcome

Invocation & Lord's Prayer

Church Announcements

Moment of Meditation and Piano Interlude: Psalm 126:3

Responsive Reading: *Welcome*

Leader: Welcome to all God's people who are gathered together in this place! It is Christ who has brought us together and the Spirit who binds us as one.

People: We come to worship God, the creator of all that is good. We come to hear the good news of peace that Christ brought to all. We come to receive the power of the Holy Spirit.

Leader: And we come to celebrate the church, a motley group of people brought together by a common love. We celebrate these people who shout the light bedazzling "yes" of God against the dark deadening "no" of the world.

People: We gather as the people of God, to participate in Christ's mission of peace in the world and to receive again the hope of the Spirit.

Leader: Jesus is our Lord! We have come to sing and to worship.

Praise Song: *Who You Say I Am*

Pastoral Prayer
